design para a vida acontecer

Moderna, objetiva, minimalista e aspiracional. A pontovírgula desenvolve sofás, poltronas e puffs altamente personalizáveis, que tornam possíveis a união entre o design moderno e a construção de produtos de alta qualidade. Como os lugares em que você vive refletem quem você é?

reflexos

Como em um espelho que reflete a luz que recebe, tudo o que tocamos nos toca também.
Toda escolha ecoa a liberdade para transformar o mundo ao redor e torná-lo nosso: um reflexo de quem somos, do que acreditamos, daquilo que sonhamos.

A coleção Reflexos é um convite para projetar espaços que refletem nossas versões mais autênticas. Um jogo de luzes e formas poéticas, confiantes e funcionais, que irradia nosso desejo por movimentos originais, afetivos, e contagia os lugares que habitamos com o que temos de mais importante: nós mesmos.
